

The Huby Community Neighbourhood Plan

Newsletter Issue 1: June 2013

Dear residents,

Welcome to the first edition of the Huby Community Neighbourhood Plan newsletter. We hope this newsletter will tell you a bit more about the neighbourhood planning process; introduce the volunteers helping to produce the plan in Huby; and outline the plans for the next few months.

There are contact details on the bottom of each page so if you have any feedback or suggestions or want to get involved please get in touch.

Have a hand in shaping a brighter future for Huby

Since April 2012, local communities have been able to produce Neighbourhood Plans for their local area, putting in place planning policies for the future development and growth of the neighbourhood.

The purpose of the Neighbourhood Plan process is to *preserve and enhance the quality of life, environmental attributes, economic growth and characteristics of the neighbourhood through the empowerment of local people and communities.*

Huby Parish council have the ambition of being at the forefront of this exciting opportunity. The Huby Neighbourhood Plan will ultimately set out what the community wants for Huby, both now and into the future. This plan will become an official planning document to be used by Hambleton District Council to guide economic development, infrastructure and planning in Huby for the next 15 years.

To do this we need your help – this is a community project, please tell us what you want from Huby, what issues you are concerned about, and what opportunities you think there are for the community. This could be about anything at all, from employment, community facilities or environmental issues, to where in the Parish you think new development should be. We will engage and listen to everybody to prepare a plan that meets the common needs of Huby. The process is to be open and transparent and is put to a community referendum once compiled.

A group of volunteers from within Huby, representing a complete cross section of the community, has been tasked by the Parish Council to develop this plan. We will be listening to everybody with an interest in Huby about what is important to them. We will then produce a draft Neighbourhood Plan to be agreed by the Huby community and Hambleton District Council.

As trust and impartiality is crucial to the development of the plan, we make the following pledge, to be:

- Inclusive – giving the opportunity for everyone who works or lives in Huby to participate.
- Comprehensive – identifying all the important aspects of life in Huby for which we need to plan for the future.
- Positive – bringing forward proposals which will improve the quality of life in Huby
- Open – all communications, meetings and engagements are open to the whole community
- Impartial – the Huby plan is to be a forward looking document, engaging and exciting.

We are hoping to get the draft Neighbourhood Plan written by the end of 2013 so it can be agreed by the community in a community referendum and submitted to Hambleton District Council in 2014.

If you have any questions about this newsletter or the Huby Community Neighbourhood Plan please contact neighbourhoodplan@hubyvillage.org.uk or speak to Richard Todd on 07795 592449

Meet the volunteers...

Sue Bracewell

I have been in the village since the late 1980s, my skills lie in event management and IT. I have been Parish Clerk since 2007. Before retirement I worked for a large charitable foundation. I also work as a volunteer guide at Sutton Park.

Val Burnham

I live in Huby with my husband and two children. I work part-time as a solicitor for a communications and print company advising on legal and commercial issues. At weekends I enjoy being outdoors, cycling and camping in the summer. Indoors, I like baking and lazy Sunday mornings with my family.

Gary Dunning

I am Yorkshire born and bred, I moved to Huby in 1998 with my wife and two children. Our son and daughter are now in further education after attending Huby and Easingwold schools. My career background is in farm management and crop protection. In my spare-time, I am Chairman of Huby & Sutton Show Committee and a volunteer at Huby Youth Club.

Paul Jackson

I moved to Huby in 2012 with my wife and two young children. I currently work from home as an environmental consultant - this involves helping industry and government with environmental, planning and sustainability issues. Outside of family and work, I enjoy music, beer, walking and cycling and 'armchair' sports, in particular cricket.

Chris Marshall

I live in Huby with my wife and two young children. I own a Digital Marketing agency in Leeds and as a result spend far too much time in my car! I love living in Huby and walking in the Howardian Hills and North York Moors.

Rachel Marshall

A web developer and copywriter by trade I now help run Huby Jellybeans stay and play group and help out on the school PTA. I live in the village with my husband, Chris, and our two children. I am happiest at home with my family, preferably outdoors, pottering in the garden or planning my next DIY project.

This is your opportunity to have a hand in shaping the future of Huby

We are now running an initial period of community consultation until the end of August 2013. This is the time to tell us what you want in Huby.

Talk to local people already involved in the Neighbourhood Plan project & get involved yourself !

If you have any questions about this newsletter or the Huby Community Neighbourhood Plan please contact neighbourhoodplan@hubyvillage.org.uk or speak to Richard Todd on 07795 592449

Guy Redfern

I live on Main Street with my young family. I am a very hands-on director of a small family business which rents out small industrial units. My main passion in life apart from Rugby and Cricket is having a building project on the go which is why my wife states our house (currently being renovated) will never be finished!

Betty Tyson

I moved to Huby with my husband and his 13 beloved Shire horses some 24 years ago. Two of the Shires led the Parade in the Huby School Carnival. I have been elected on to the Parish Council three times. One of the highlights of the last 11 years is the Tree Planting day, which happened with the help of a HDC carbon friendly grant of £1,500.

Roger Teare

Marie & I moved back to Huby in 2008, having lived here previously from '78 to '86 (when our children went to Huby school). I work managing engineering projects with retirement on the near horizon. Away from work time goes on family (even grandchildren are big now), our other world on the Greek island of Paxos, & active sports (including Easingwold running club).

Kathryn Wallis

I am a speech and language therapist (retired). I am involved in several voluntary and other activities locally and in York.

I walk with the Easingwold Wayfarers and enjoy music, theatre and gardening.

Richard Todd

Moved to Huby three years ago with my wife and two children, though have family that have lived in the village for many years, all involved in agriculture. Run a waste management company and through this have experience of community engagement and consultation. When not working or getting in the way on the farm, enjoy sailing, DIY and woodland management.

Terry Wolf

I work from home for a small national charity. I have been happily settled here for a number of years having spent much of that time renovating both house and garden. I was elected by the village to serve on the Huby Memorial Village Hall Committee for the past two years, and decided to volunteer for the Neighbourhood Plan working group to contribute to ensuring a bright future for Huby. I am a keen gardener, interested in permaculture, sustainable buildings and all things green!

Are you interested in becoming a volunteer?

The Huby Community Neighbourhood Plan needs plenty of people to make it work.

If you can spare any time at all please get in touch by email at neighbourhoodplan@hubyvillage.org.uk or speak to the working party chair, Richard Todd, on 07795 592449

If you have any questions about this newsletter or the Huby Community Neighbourhood Plan please contact neighbourhoodplan@hubyvillage.org.uk or speak to Richard Todd on 07795 592449

Get involved!

❖ Come along to one of the Huby Community Neighbourhood Plan stalls where we will have information about the village and the neighbourhood planning process and different ways for you to share your views about the future:

- Huby Feast 23rd June;
- Huby School Carnival 7th July (tbc);
- Huby and Sutton Show 28th July.

❖ Check out the Huby Community Website -

<http://hubyvillage.org.uk/> - read about the Neighbourhood Plan and contribute to the information and online discussion pages;

❖ Use the village Facebook account to share your views - <http://www.facebook.com/HubyNorthYorkshire>;

❖ Look out for activities involving children and young people which will be happening over the summer to make sure they have a say in the future of the village;

❖ Later this summer, further consultation will be organised, including:

- Door to door discussions with residents;
- Consultation with clubs and societies;
- Consultation with businesses and other key stakeholders.

Look out for further information

See the next issue of the Huby Community Neighbourhood Plan newsletter for more details.

We look forward to hearing from you over the next few weeks and months!
