issue of

Huby
Voice

POTHoles

There is concern in Huby over the state of our roads. The responsibility for maintaining these is with North Yorkshire County Council. If you have any problems with our roads, footpaths, street lighting or street furniture you should report these via the website which is:

<http://www.northyorks.gov.uk/>

then click on Transport and Streets select from the Report it options on

the right hand side of the screen.

If it is an emergency or you would like to telephone the contact number is **08458 727374**.

In all instances you will have to supply details of the problem including location.

Cllr Guy Redfern

Village Hall Roof

I would like to thank Tony Suddes, Derek McLuckie, John Phillips and Gary Dunning for volunteering to repair the village hall roof in March and April. The leak has been cured and the damage repaired at a cost of under £60.

Cllr Guy Redfern

Broadband for Huby

I have had confirmation from Superfast North Yorkshire, the organisation who are liaising with BT for the upgrading of the Stillington Exchange and the provision of fibre optic broadband for our area, that the work is scheduled to be completed by the end of June .

Following completion the service will become available from your broadband provider.

For more detail, please visit:

HUBY AMDRAMS

The village amateur Dramatic group this year produced a successful pantomime "Aladdin", following some promotion locally we did manage to get more help with the production although there was still a fair amount of multitasking within the backstage crew.

The cast included some up and coming youngsters taking on principal roles, there is a lot of

talent locally and we are doing all we can to support these youngsters as they grow and develop.

The disappointment was that yet again we had little support from the residents of the village actually coming to see the shows. The majority of the audience was made up of family members of those on stage.

Next year sees the 70th anniversary of Huby Amdrams, when we hope to produce a bigger show, however with the conditions in the hall and the uncertainty of its future, it looks as though next year's could be the last unless we get more support.

Dear Editor

After the Huby Parish council bye election, the community voted to go for the Localism Neighbourhood Plan, and maintain the Huby War Memorial hall. One resident, especially delighted with the news was Roy Muir. Roy was one of the founder members of the War Memorial Hall.

In 1944 Roy set up the very first Amdrams in Huby. At that time Huby did not have its own village hall, so Roy would take his Huby Amdram Musical Society to other village halls as far afield as Hutton le Hole, Farndale and Filey to stage his productions.

When the committee was offered the school room from Linton on Ouse RAF camp, they jumped at the chance to form Huby's own War Memorial Hall. The day the schoolroom arrived amid great excitement, the community joined in to set up their very own village hall. Those were the days of community spirit, when the village hall was the heart of the universe.

The front of the building was built with everyone buying a brick at a cost of half a crown or 2/6d, in todays money 30p. Many happy times were held in the War Memorial hall. News spread, about the popular live dance bands, at Huby Village Hall and over the years people came from far and wide. Every week three coach parties of young people would arrive from York to dance at the Huby Village Hall. Members of the community still reminisce about their 'courting' days at the War Memorial hall dance, this is where they met and married the love of their lives.

Letter to the Editor

Any views expressed are those of the writer and not the Parish Council

All the time Roy was on the village hall committee, he never stopped working to raise money to pay off the loan for the War Memorial hall, travelling with his Amdrams, staging concert parties to all the far away villages. This is only one of the many admirable things Roy did for the village, he was on the Parish Council for 53 years, yes 53 years, what an achievement, for that alone he deserves an OBE. Can anyone living beat that record? Roy was a school governor for ten years, a churchwarden for 29 years. He also served on the street lighting committee, all these activities he carried out while working full time as a farm worker at Mills Farm, Tollerton, where he met and married his soulmate Mary, who was working in the Land Army at the same farm.

Roy and his wife Mary now live in a cosy bungalow in the heart of the village a very knowledgeable and interesting couple to talk with. Roy has certainly done more than his bit for the Huby Village community, a real honour to know him.

Thank you Roy Muir, enjoy your retirement, knowing your War Memorial Hall is appreciated by all.

Betty Tyson

For those of you who are not yet members of the Cooperative, I thought you might be interested to see the very competitive prices (ex VAT) we have achieved for heating oil purchases over the past year.

	May 2012	Jul	Sep	Nov	Jan 2013	Mar	May
Oil Cooperative prices	52.31	50.53	55.39	55.55	56.33 57.03	58.89 59.91	52.97 53.00
Average quotation	54.61	51.48	57.24	57.71	57.80	59.49	53.69
Highest quotation	59.90	53.97	60.89	60.89	59.95	60.13	54.95
www.boilerjuice.com	60.04	53.01	60.43	58.25	61.43	62.25	56.50

Last 12 months:

Total syndicate order = 1.66 million litres

Total saving = £64,000

Membership is open to all — if you live in or around Sutton and Huby and want to know more about the Cooperative, please email me. Last order dates for 2013 will be 13 July, 28 September, 23 November

Well at last it would appear some much needed decent weather has arrived! This I hope will brighten up the "spirit" in our village!

For those who are interested, the NHG (New Hall Group) planning appeal will be heard on the 23rd July in Northallerton. It looks likely that this process will take 2 days to complete. The Parish Council and Hambleton District Council planning department continue to object to both of the proposals. Whatever the outcome, it will be good to get a clear direction on which way the village structure will take. At the end of the long process it will be so important to come together and embrace the decision of the planning officer. Am delighted to report that the Neighbourhood Plan Steering Group is moving forward at a great pace. They are building a new website which will keep you up to date with developments and the progress they are making, the details of their work will also be printed and circulated for all to see. Anybody with any bright ideas, do make a point of contacting the

group. Consultation and participation from the entire village is most welcome by all members of the group. Meanwhile, the group continue to report back to and update the parish council on a regular basis. You might have recently seen 'electronic speed matrix loggers' around the village! I contacted the police to complain about excessive speeding in the village and readings of excess speed were recorded at ALL of the sites, which is very worrying. Two areas of the village in particular were above what is deemed acceptable within a 30mph speed limit. In the next few weeks two permanent flashing speed matrix indicators will be installed, one in Tollerton road at the entrance to the village from the A19 and the second in Easingwold Road (outside of Period Pine Doors). The signs will act as a visible warning and an educational message to motorists. I don't think it's a bad thing for all residents to keep an eye on their speed when driving around the village, it is easy to relax on roads you are familiar with and for speed to creep

Parish Council News

upwards. Please feel free to pass on this message to those who perhaps don't read this news letter!

We were recently asked to look into the situation around dropped kerbs along Easingwold Road. It was highlighted that it was difficult for disabled people to use the footpaths and cross the road in certain areas of the village. It would appear that some funding may be available from North Yorkshire County Council which is great news. We are just waiting to hear back from Jane Charlton at NYCC Highways to see what the level of funding will be.

The election for Chairman and Vice Chair for the Parish Council was held at the AGM. I am pleased that I was voted to stand as Chair and Guy Redfern as vice chair, both unanimously. I and the other PCs will continue to do our best to serve the community of Huby. Finally, I would like to take this opportunity in wishing everyone a happy summer whatever you are planning to do.

Mike Pannett
Parish Council Chairman

Continuous programme
from 9.00am
**A good day out
for all the family**

The Huby Community Neighbourhood Plan

“TELL US YOUR VIEWS” URGES PARISH COUNCIL AS IT STARTS NEIGHBOURHOOD PLAN

Plan1

VILLAGERS in Huby have a major chance to help shape the future of their community.

Everyone who lives or works in the village is being invited to help Huby Parish Council become one of the first in the area to create a Neighbourhood Plan which will eventually be submitted to Hambleton District Council.

Once submitted, the Neighbourhood Plan will become an official planning document to guide economic development, infrastructure, open spaces, job creation, services and planning for the next 15 years.

The parish council has asked a group of volunteers, drawn from a cross-section of villagers, to help develop the plan which it wants to complete by the end of the year. It will then be agreed by a community referendum and submitted to Hambleton District Council by 2014.

Cllr Mike Pannett, Chairman of Huby Parish Council says that, in canvassing the views of villagers, the Parish Council is pledging to be:

- Inclusive – giving everyone living, or working, in Huby a chance to take part.
- Comprehensive – identifying all aspects of village life which need to be included.
- Positive – creating a plan to enhance quality of life.
- Open – with the whole community having access at every stage.
- Impartial – the Huby plan will be forward-looking, engaging and exciting.

Plan2

Richard Todd, Working Party Chairman added: “This is a fantastic opportunity for Huby people to decide what they want the future to be like and to guide the thinking of Hambleton District Council when it considers development applications and wider issues which affect the village.

“However, this is a community project and, to make the best of this important opportunity, we need everyone, however limited their experience or views, to tell us what opportunities and challenges they believe lie ahead, what they are concerned about and what they would like to see happen.

“Their ideas or concerns could be about any aspect of Huby life including community facilities, leisure opportunities, environmental issues or local employment prospects.

“We will engage and listen to everyone as it is vital that we get this right to serve the best interests of all those who live or work in the village or may wish to do so in the years to come.”

Villagers who want more information on canvassing views for the Neighbourhood Plan or to know when relevant meetings are, should watch the village notice boards or contact their local parish councillor.

Local communities have been able to create their own Neighbourhood Plans for future growth, development and amenities since 2012 under the Government’s Localism Act 2011 and many throughout the UK are taking up the challenge.

Community Website for Easingwold and villages

www.visit-easingwold.com is the Community website for Easingwold and Villages edited by the volunteer run Easingwold Tourist Information Office.

The website and Visit-Easingwold tourist leaflet (available at the Tourist Information Office) was funded by a grant from the Lottery in 2008 and aims to cover the whole Easingwold and Villages area. It is NOT just an Easingwold site!

We have the usual tourism facilities of where to stay, of course we do – but also handy lists such as Where to eat and What to do - very useful items for both visitor and residents. In fact it is our aim to list every place to eat in our area making it a very handy reference! Please let me know if I have missed anyone out.

We act as the website for the Galtres Centre and have both the Entertainment and the Sports Brochures as downloads and many other details of what they do.

Also listed are :

- A good listing of local event (please let me know – I list them free of charge!)
- For Galtres Events, we normally include some video trailers

where possible, website links and press reviews etc of the cinema and live by satellite events. Just extra information for you to help choose whether to attend one of their many events.

- Details of local organisations (additions welcome)
- Local places to visit (any suggestions please)
- Local churches (work in progress, but I am reliant on receiving information from parishes – including Sutton and Huby)
- Website links to every cinema and theatre in our wider area (that means from Richmond to Hull, Scarborough to Bradford) – perfect if you want to find out what's on quickly!
- A list of downloadable bus timetables for the Easingwold & Villages area – that's Reliance and Stephenson's plus others, including the Moors bus and Dales Bus from Easingwold
- A short history of Easingwold and short summaries of all the parishes in our area (any submissions would be gratefully received!)
- And many other items too numerous to mention.

The point is, it is meant as both as a community website – so if you would like to contribute, to (constructively!) criticise content etc. , even to send details of an event in your area, please do so – I would be very grateful indeed! If you are a village organisation that you would like to have details on the internet, I can offer you a page – all I need is some text, intended layout and some images. Contact details are on the website or info@visit-easingwold.com

My Google Analytics statistics tell me that I am now receiving between 1500 and 2000 visitors per week – so people are looking at our website. Indeed I receive emails from all over the world for a wide range of requests.

However, I run the website in my spare time (I do have a busy full time job outside of Easingwold) so sometimes things take a while to appear. I am not a professional IT person by any stretch of the imagination, but I do the best I can.....

Frank Johnston-Banks
Secretary and Website editor,
Easingwold Tourist Information

Huby Feast—Sunday 23 June 2013

On behalf of the Huby Feast Organising Group I would like to extend a warm welcome to all clubs, societies and groups within our village to participate in this years event. All clubs, societies and groups can use the Feast as both an opportunity to publicise their organisation and generate much-needed funds at the same time. The Feast is the one day in the year when all our residents can collectively gather on our wonderful sports field and celebrate all that is good about our

village and present our children with an afternoon to remember. Our group is working very hard to present the village and other local residents with a FREE fun packed event. If your club, society or group would like to join in the fun then please get in touch with me or any other member of our group. For those of you who have businesses in the area or maybe just something to sell perhaps you may wish to have a stall at the feast. To book a stall or to find out more details please contact Ema or Mike on 810755.

Prior to the event, on the evening of Saturday 21st June, there will be a Grand Dance with live music and Hog Roast, which is being organised to help bolster the much-needed funds of our Sports Club. Anyone wishing to assist with the Feast in any way would be most welcomed by our group, just give me a call on 811532.
